Readymade Waterfall

Nothing brings a garden to life like a waterfall. A waterfall in the backyard or garden is a great focal point. The sound of falling water, the soft dance of light across a waterfall at night, an irregular surface that breaks up the falling water, it all leads to a serene and calming influence in the backyard or garden. Our modern materials have made the faux rock waterfall an economic and visually stunning option for waterfall in the garden or back yard.

Prices ex-works our factory in Pune. Vat 12.5 % extra, Transport / LBT on Customers. All dimensions are close approximate.

Colours can be customized.
